

PSLE Intensive Revision Workshop
2021 September School Holiday (6-9 September)
@ Edufront Woodlands, Tampines & Live-Online

Dear Parents,

To further support our students in their academic achievements, we are offering our highly sought-after Intensive Revision programmes in the upcoming September School Holidays.

- PSLE Challenging Maths Intensive Revision Workshop
- PSLE Science Anchor Concepts Revision Workshop

Key Programme Features:

- ✓ Programmes and materials developed by our Principal Mr Yang based on latest PSLE question trends
- ✓ Lessons are recorded and made available to students in the LMS for unlimited review until PSLE.
- ✓ Home delivery of materials for students who opt for Live-Online classes
- ✓ Limited places available for time-slots taught personally by Mr Yang and our team of PSLE specialist tutors

All **current students** enrolled in any of our 2021 Weekly Tuition Programme (all centres) are eligible for a **discount of \$40 per programme**. Additional package discounts of **up to \$20** are also available. To register, kindly visit our website at <https://edufront.com/2021-september-school-holiday-intensive-workshop/> or approach our admin staff at the reception at any of our centres.

Warmest regards,

Yang Iskandar
Principal
