

ULTIMATE INTENSIVE REVISION

Highly sought-after programs for PSLE, Primary 5, and Primary 4 students who wish to intensify preparations for examinations

JUN 27 MAY - 13 JUNE 2024
TAMPINES | HYBRID ONLINE
MATHS | SCIENCE | ENGLISH | MALAY LANGUAGE

PSLE, PRIMARY 5, & PRIMARY 4 ULTIMATE INTENSIVE REVISION

2024 JUNE SCHOOL HOLIDAY (27 MAY - 13 JUNE)
@ EDUFRONT TAMPINES & ONLINE - HYBRID

Dear Parents,

To further support our students in the consolidation and revision of key concepts in Semester 1, we are offering our highly sought-after Intensive Revision programmes in the upcoming June School Holidays. The programmes are developed by our Principal Tutors – Mr Yang Iskandar, Cikgu Hayati Abdullah (Malay Language Programmes) and would be delivered by our team of Specialist Tutors.

Programmes being offered are:

- PSLE Challenging Maths Problem Solving Strategies Workshop
- PSLE, P5 and P4 Maths Problem Solving Strategies Workshop
- PSLE, P5 Science Open-Ended Answering Strategies Workshop (Topical)
- PSLE English Oral and Writing Workshop
- PSLE English Intensive Revision Workshop (Paper 2)
- Bengkel Persiapan Lisan dan Karangan PSLE, Darjah 5, Darjah 4
- Bengkel Persiapan Bahasa Melayu PSLE (Kertas 2), Darjah 5, Darjah 4

All **current students** enrolled in any of our 2024 Weekly Tuition Programme (all centres) are eligible for a **discount of \$40 per programme**. Additional package discounts of **up to \$20** are also available. **To register**, kindly visit our website at <https://edufront.com/ultimate> or approach our admin staff at the reception at any of our centres.

Warmest regards,

Yang Iskandar
Principal

Primary Mathematics Mastery Workshop

Programme Developer: Mr Yang Iskandar, Principal Tutor [MSc, BBA (Hons), NUS Research Scholar, PGDE (NIE/NTU), Former HOD of Maris Stella High Primary School]

PSLE Challenging Maths Problem Solving Strategies Workshop

This ultimate 4-day x 3hr intensive programme equips Primary 6 pupils with intermediate to advanced strategies to solve challenging and non-routine questions that commonly appear in the Paper 2 of PSLE Mathematics.

Topics that would be covered:

- Numbers and Algebra
- Fractions
- Ratio and Percentage
- Circles
- Volume
- Geometry and 4-sided Figures
- Number patterns
- Speed

Some of the strategies that would be taught are: 1) Advance Model drawing, 2) Units and Parts and its variations, 3) Remainder Concept / Branching, 4) Repeated Identity, 5) External Unchanged, 6) Total Unchanged, 7) Constant Difference, 8) Equal fractions and many more.

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule

Date	Time	Branch
27 May - 30 May (Mon - Thu)	10am - 1pm	Tampines (Mr Yang)
03 Jun - 06 Jun (Mon - Thu)	2pm - 5pm	Tampines
10 Jun - 13 Jun (Mon - Thu)	2pm - 5pm	Tampines
27 May - 30 May (Mon - Thu)	10am - 1pm	Hybrid - Online (Mr Yang)
03 Jun - 06 Jun (Mon - Thu)	2pm - 5pm	Hybrid - Online
10 Jun - 13 Jun (Mon - Thu)	2pm - 5pm	Hybrid - Online

Register online at www.edufont.com or approach our friendly admin staff on duty.

PSLE Maths Problem Solving Strategies Workshop

The PSLE Mathematics Problem Solving Strategies Workshop is a 4-day x 3hr intensive programme to equip Primary 6 pupils with a strong conceptual understanding and problem-solving skills to overcome the rigour in PSLE Maths Paper 1 and the 2-3 marks questions from Paper 2. This programme is targeted at students who are scoring less than 70% in school and wish to reinforce and master key maths concepts.

Topics that would be covered:

- Numbers
- Fractions
- Measurement
- Area of Triangle
- Ratio and Percentage
- Rate
- Average
- Geometry

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6 (students scoring less than 70%)

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch
27 May - 30 May (Mon - Thu)	10am - 1pm	Tampines
03 Jun - 06 Jun (Mon - Thu)	2pm - 5pm	Tampines
10 Jun - 13 Jun (Mon - Thu)	2pm - 5pm	Tampines (Mr Yang)
27 May - 30 May (Mon - Thu)	10am - 1pm	Online - Hybrid
03 Jun - 06 Jun (Mon - Thu)	2pm to 5pm	Online - Hybrid
10 Jun - 13 Jun (Mon - Thu)	2pm to 5pm	Online - Hybrid (Mr Yang)

Register online at www.edufront.com or approach our friendly admin staff on duty.

Primary 5 Maths Problem Solving Strategies Workshop

This ultimate 4-day x 3hr intensive programme equips Primary 5 pupils with a strong conceptual understanding and problem-solving skills to overcome the rigour in Primary 5 Maths Paper 1 and the 2-3 marks questions from Paper 2. This programme is targeted at students who are scoring less than 70% in school and wish to reinforce and master key maths concepts.

Topics that would be covered:

- Numbers
- Fractions
- Decimals
- Measurement
- Area of Triangle
- Ratio
- Geometry
- Volume

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 5 (students scoring less than 70%)

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch
27 May - 30 May (Mon - Thu)	10am - 1pm	Tampines
10 Jun - 13 Jun (Mon - Thu)	2pm - 5pm	Tampines

Primary Science Mastery Workshop

Programme Developer: Mr Yang Iskandar, Principal Tutor [MSc, BBA (Hons), NUS Research Scholar, PGDE (NIE/NTU), Former HOD of Maris Stella High Primary School]

PSLE Science Open-Ended Answering Strategies Workshop

The PSLE Science Open-Ended Answering Strategies Workshop is a highly popular 4-day x 3hr programme to equip students with the **Process Skills** and **Answering Strategies** to score in PSLE Science. Students would be taught strategies on how to apply concepts and process skills to challenging higher-order problems and to answer the Open-Ended questions in Section B with confidence and precision.

Topics that would be covered:

1. Forces
2. Energy Conversion
3. Photosynthesis
4. Plant and Human Transport System
5. Electricity
6. Plant Reproduction
7. Water
8. Magnets
9. Light
10. Heat
11. Digestive System
12. Matter

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch

Primary 5 Science Open-Ended Answering Strategies Workshop

The Primary 5 Science Open-Ended Answering Techniques Workshop is a highly popular 4-day x 3hr programme to equip students with the **Process Skills** and **Answering Strategies** to score in Primary 5 Science. Students would be taught strategies on how to apply concepts and process skills to challenging higher-order problems and to answer the Open-Ended questions in Section B with confidence and precision.

Topics that would be covered:

1. Matter
2. Materials
3. Cycles in plants and animals
4. Digestive system
5. Light
6. Heat
7. Magnets
8. Water
9. Cells
10. Plant reproduction
11. Human reproduction
12. Human respiratory and circulatory system

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 5

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

PSLE English Intensive Revision Workshop (Paper 2)

This 4-day x 3h workshop aims to hone students' ability to grasp English vocabulary and grammar as well as their **critical thinking** and **analytical skills** to analyze different comprehension texts and the open-ended sections of the PSLE English Paper 2.

During the workshop, students will acquire the skills to respond to the editing and synthesis & transformation sections of the exam. Additionally, the workshop will encompass various components of paper 2, including Grammar, Vocabulary, Vocabulary Cloze, and Visual Text Comprehension.

This workshop will also cover methods to analyze comprehension passages to find answers and tips to ace each component in Paper 2.

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch
10 Jun - 13 Jun (Mon - Thu)	10am - 1pm	Tampines
10 Jun - 13 Jun (Mon - Thu)	10am - 1pm	Online - Hybrid

Register online at www.edufront.com or approach our friendly admin staff on duty.

PSLE English Oral and Writing Workshop

This 4-day x 3h workshop focuses on the Oral Communication and Writing components. It aims to enhance students' fluency, articulation, pronunciation as well as expression. Students will learn strategies to find the right rhythm, expression and intonation while reading the passages and tips to ace oral. These include tips to deliver the responses, focusing on vocabulary, grammatical sentence structure, and confidence while communicating.

The Writing Workshop aims to develop students' writing ability to produce a short functional piece (e.g. letter, email, report) to suit the purpose, audience and context of a given situation. It focuses on **enhancing students' writing ability** to write a composition in continuous prose on a given topic. These include techniques to make the writing engaging, interesting, and relevant.

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch
27 May - 30 May (Mon - Thu)	2pm - 5pm	Tampines
27 May - 30 May (Mon - Thu)	2pm - 5pm	Online - Hybrid

Malay Enrichment and PSLE Revision Programme

Programme Director: Cikgu Hayati Abdullah, Former Malay and Higher Malay teacher at Cedar Girls Secondary, Best-selling Book Author of the Saya Boleh Mengarang series. Principal and Director at NUSA and Edufront Learning Centre.

Bengkel Persiapan Lisan dan Karangan PSLE

This 12-hr workshop aims to build students' confidence and mastery in PSLE Malay Paper 1 and the Oral component. In the Paper 1 component (writing), students would explore proven strategies to write a great composition based on Cikgu Hayati Abdullah's best-selling book and programme – "Saya Boleh Mengarang". These include strategies to plan, expand and organize ideas, techniques to elicit writer's voice, usage of powerful vocabulary and sentence structures.

In the oral reading component, pupils would be taught strategies to read aloud with clear articulation, diction and expressiveness. In the video-based conversation component, students would be taught the strategies to develop a meaningful and coherent thematic conversation based on the video content. The programme would also provide a comprehensive coverage of the common themes in the PSLE Oral component based on past and current trends.

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400

Former Students: \$380 (\$20 off)

Current Students: \$360 (\$40 off)

(Fees inclusive of refreshments, registration and materials)

(Online-Hybrid: Fees inclusive of registration & Learning Materials delivery)

Schedule:

Date	Time	Branch
03 Jun - 06 Jun (Mon - Thu)	10am - 1pm	Tampines
10 Jun - 13 Jun (Mon - Thu)	10am - 1pm	Tampines (Cg Hayati)
03 Jun - 06 Jun (Mon - Thu)	10am - 1pm	Online - Hybrid
10 Jun - 13 Jun (Mon - Thu)	10am - 1pm	Online - Hybrid Cg Hayati)

Register online at www.edufront.com or approach our friendly admin staff on duty.

Bengkel Persiapan Bahasa Melayu PSLE (Kertas 2)

This workshop prepares students to score in the Paper 2 component of PSLE Malay Language paper. It covers the major components such as 'imbuhan, peribahasa, golongan kata, frasa' and comprehension (objective, subjective and graphic-stimulus).

Duration: 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

Level: Primary 6

Fees (before GST):

New students: \$400
