

# 2026 JUNE HOLIDAY WORKSHOP (1 - 25 JUNE)

PRIMARY 5 AND PRIMARY 6 (PSLE)

@ EDUFRONT TAMPINES, CHOA CHU KANG AND HYBRID - ONLINE

Dear Parents,

To further support our students in the consolidation and revision of key concepts in Semester 1, we are offering our highly sought-after Intensive Revision programmes in the upcoming June School Holidays. The programmes are developed by our Principal Tutors – Mr Yang Iskandar, Cikgu Hayati Abdullah (Malay Language Programmes) and would be delivered by our team of Specialist Tutors.

The banner features a dark red background on the left with the word 'ULTIMATE' in a stylized, yellow and red font at the top. Below it, 'INTENSIVE REVISION' is written in large, white, bold letters. Underneath, 'TAMPINES | CHOA CHU KANG | HYBRID - ONLINE' is written in smaller white text, followed by '1 - 25 JUNE 2026' in very large white letters. At the bottom, 'PSLE & PRIMARY 5' and 'MATHS | SCIENCE | ENGLISH | MALAY LANGUAGE' are listed in white. On the right side, there is a yellow background with a red starburst graphic containing the text 'REGISTER NOW!' in white. Below the starburst, there is an illustration of a school building and a search bar with the URL 'WWW.EDUFRONT.COM/ULTIMATE' and a magnifying glass icon.

Programmes being offered are:

- PSLE Challenging Maths Problem Solving Strategies Workshop
- PSLE Maths Problem Solving Strategies Workshop
- Primary 5 Maths Problem Solving Strategies Workshop
- PSLE Science Open-Ended Answering Strategies Workshop (Topical)
- Primary 5 Science Open-Ended Answering Strategies Workshop (Topical)
- PSLE English Oral and Writing Workshop
- PSLE English Intensive Revision Workshop (Paper 2)
- Bengkel Persiapan Lisan dan Karangan PSLE
- Bengkel Persiapan Bahasa Melayu PSLE (Kertas 2)

## English Intensive Revision Workshop

### PSLE English Intensive Revision Workshop (Paper 2)

This intensive 4-day (3 hours per day) workshop is designed to strengthen students' mastery of the key skills required to excel in PSLE English Paper 2.

Through a systematic and exam-focused approach, students will develop strong command of grammar and vocabulary, while sharpening their critical thinking and analytical skills to effectively tackle a wide range of comprehension texts, including open-ended questions.

The workshop provides targeted instruction and guided practice across all major Paper 2 components, including Grammar, Vocabulary, Vocabulary Cloze, Editing, Visual Text Comprehension and Synthesis & Transformation.

Students will learn proven strategies to:

- Analyse comprehension passages effectively and identify relevant answers with precision
- Tackle open-ended questions using structured answering techniques
- Apply grammar rules accurately in Editing and language-use sections
- Handle Synthesis & Transformation questions with clarity and confidence
- Approach each Paper 2 component with the appropriate techniques and exam strategies

Delivered in a focused and high-impact format, this workshop equips students with the skills, techniques and confidence needed to improve accuracy and performance across all sections of PSLE English Paper 2.

**Duration:** 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

**Level:** Primary 6

**Fees (before GST):**

- New students: \$450

## PSLE English Oral and Writing Workshop

This intensive 4-day (3 hours per day) workshop is designed to strengthen students' performance in the Oral Communication and Writing components of the PSLE English examination.

For the Oral component, the workshop focuses on developing students' fluency, articulation, pronunciation, and expressive delivery. Students will be guided through proven strategies to read aloud with appropriate pacing, rhythm, and intonation. They will also learn structured techniques to respond confidently and coherently during Stimulus-Based Conversation, with emphasis on relevant content, accurate language use, and clear expression of ideas.

For the Writing component, students will be trained to produce both situational writing pieces (e.g. letter, email, report) and continuous writing compositions that are purposeful, well-organised, and engaging. The workshop emphasises understanding purpose, audience, and context, while equipping students with techniques to generate ideas, structure their responses effectively, and enhance their writing using appropriate vocabulary and varied sentence structures.

Through explicit instruction, model examples, and guided practice, students will develop the skills and confidence to communicate clearly and effectively across both spoken and written components of the PSLE English examination.

**Duration:** 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

**Level:** Primary 6

**Fees (before GST):**

- New students: \$450

## Malay Enrichment and PSLE Revision Programme

**Programme Director: Cikgu Hayati Abdullah, Former Malay and Higher Malay teacher at Cedar Girls Secondary, Best-selling Book Author of the Saya Boleh Mengarang series. Principal and Director at NUSA and Edufront Learning Centre.**

### Bengkel Persiapan Lisan dan Karangan PSLE

This comprehensive 12-hour workshop is designed to build students' confidence and mastery in both the PSLE Bahasa Melayu Paper 1 (Karangan) and the Oral component.

For the Paper 1 (Writing) component, students will be guided through proven strategies anchored in Cikgu Hayati Abdullah's best-selling programme, *Saya Boleh Mengarang*. Through explicit instruction and guided practice, students will learn how to effectively plan, develop, and organise their ideas, while enhancing their writer's voice. Strong emphasis will be placed on the accurate use of vocabulary, varied sentence structures, and impactful expressions to produce well-developed and engaging compositions.

For the Oral component, students will be trained in both Reading Aloud and Video-Based Conversation. In Reading Aloud, students will learn techniques to achieve clear articulation, accurate pronunciation, appropriate pacing, and expressive delivery. For the Video-Based Conversation, students will be equipped with structured answering strategies to develop coherent, relevant, and insightful responses based on the given stimulus.

The workshop also provides comprehensive exposure to commonly tested themes in the PSLE Oral examination, equipping students with the content knowledge and confidence to respond effectively across a wide range of topics.

**Duration:** 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

**Level:** Primary 6

**Fees (before GST):**

## Bengkel Persiapan Lisan dan Karangan Darjah 5

This comprehensive 12-hour workshop is designed to build Primary 5 students' confidence and mastery in Bahasa Melayu Karangan (Paper 1) and the Oral component, while laying a strong foundation for PSLE readiness.

For the Paper 1 (Writing) component, students will be guided through proven strategies anchored in Cikgu Hayati Abdullah's best-selling programme, *Saya Boleh Mengarang*. Through structured instruction and guided practice, students will learn how to plan, develop, and organise their ideas effectively. Emphasis will be placed on strengthening writer's voice, expanding relevant content, and applying appropriate vocabulary and varied sentence structures to produce clear and engaging compositions.

For the Oral component, students will be trained in both Reading Aloud and Video-Based Conversation. In Reading Aloud, students will learn techniques to achieve clear articulation, accurate pronunciation, appropriate pacing, and expressive delivery. For the Video-Based Conversation, students will be equipped with structured answering techniques to develop coherent, relevant, and well-supported responses based on the given stimulus.

The workshop also introduces students to commonly tested themes in the PSLE Oral examination, equipping them early with the content knowledge, language structures, and confidence needed to perform effectively in upper primary.

**Duration:** 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

**Level:** Primary 5

**Fees (before GST):**

## Bengkel Bahasa Melayu Lanjutan (HML) Darjah 6

This intensive 4-day (3 hours per day) Higher Malay Mastery Workshop is designed to strengthen Primary 6 students' proficiency and confidence in Bahasa Melayu Lanjutan (Higher Malay), with a strong focus on the advanced language skills required to excel in PSLE Higher Malay.

Anchored in NUSA's proven Higher Malay pedagogy by Cikgu Hayati Abdullah, the programme develops higher-order language competencies, including precise vocabulary usage, complex sentence construction and accurate application of grammar across both Bahasa and Karangan components.

Through explicit instruction, guided practice, and exam-focused strategies, students will learn to:

- Master commonly tested *tatabahasa* and *kosa kata* to score confidently in the *Mengedit Teks* component
- Develop a deep and accurate understanding of *peribahasa* and apply them appropriately in context
- Craft precise, well-structured answers for both expository and narrative *Kefahaman* texts
- Create impactful and mature storylines that meet the linguistic and content expectations of Higher Malay *Karangan*

Equivalent to two months of targeted Higher Malay tuition, this workshop is delivered in a compact, high-impact format, making it ideal for students preparing for the rigorous demands of PSLE Higher Malay.

**Duration:** 4 days x 3hrs (Total: 12hrs - equivalent to 2 months of tuition)

**Level:** Primary 6 Higher Malay Students
