|-------------------------------------------------------------------------------------------------------------------------------------|--|--|
| Please note that we do not include Karangan (Composition) in the regular Malay class                                                |  |  |
| <b>Maths Booster Programme</b>                                                                                                      |  |  |
| Our Booster Classes help students revisit key P5/P4/P3/P2 topics and strengthen their foundation in preparation for the PSLE/exams. |  |  |
| Recommended for students scoring 60% and below, but open to all who want extra support.                                             |  |  |
| Must be taken in addition to the regular class, providing twice the support each week.                                              |  |  |
